

Introducing

Formative Assessments

in Spanish (Latin America) and Chinese (Simplified; Mandarin)

About the Assessments

The MLS team has developed two formative assessments in Spanish and two formative assessments in Chinese. The assessments are meant to be used as in-classroom progress monitoring tools. Each assessment should take two class periods to administer.

How to Access

Email us with the subject "Formative Assessments" to learn how to access the materials and with any questions you may have.

mls.email.server@gmail.com
